

Intern Wanted: Manufacturing Intern

12-Month Internship Programme for Unemployed Graduate

Mpumalanga Stainless Initiative NPC is seeking a highly motivated and skilled Manufacturing Intern with a background in welding or boiler making to join our team. This internship will offer valuable experience and insight into the manufacturing industry, with a focus on Occupational Health & Safety, Welding, Fabrication, Design, AutoCAD/CAM, CNC, and component assembly.

Key Responsibilities:

- Assist in the development and implementation of new manufacturing processes
- Provide support in the design and fabrication of custom components
- Assist with formulating samples and prototypes
- Operate bending machines and guillotines
- Assist with quality control and testing of finished products
- Maintain a safe working environment and adhere to Occupational Health & Safety guidelines
- Collaborate with team members to achieve production goals

Qualifications:

- NQF Level 5 Certificate in Welding, Fabrication, Design, AutoCAD/CAM, CNC, Components and/or Assembly OR Diploma/Bachelor of Technology in Engineering, Welding, Manufacturing
- Background in welding and boiler making will be advantageous
- Strong attention to detail and problem-solving skills
- Ability to work independently as well as part of a team
- Excellent communication and interpersonal skills
- Proficiency in Microsoft Office Suite

This internship is ideal for individuals who are passionate about manufacturing, eager to learn new skills, and looking to gain valuable industry experience. A stipend of R6500 will be provided.

Disclaimer: The intern should be versatile and will also be required to perform other duties as assigned.

How to Apply:

Interested candidates are invited to send their resume and the completed application form to recruitment@mpstainless.co.za with the subject line "Manufacturing Intern Application". The application form can be collected at 12 Dr. Mandela Drive, Middelburg, or downloaded from our website www.mpstainless.co.za

For any queries regarding the vacancy, please contact the Human Resources Department at PrecillaN@mpstainless.co.za or PetuniaM@mpstainless.co.za, or call 013 246 1528.

Please include details of your academic background, relevant experience, and why you are interested in interning with MP Stainless.

Application Deadline: 05 July 2024

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
